### CARDLINX ASIA FORUM AGENDA

The future of payments, advertising and commerce is happening right now in China. This exclusive, first of its kind, international forum in Shanghai, China brings together the leading companies in AI and commerce from China, Japan, South Korea and the USA.

Participants include Samsung, MasterCard, Sumitomo Mitsui Card Company, 55haitao.com and many more. By attending this forum, you will both meet and learn from the leading companies developing technologies in fin-tech AI, cross border offers, advanced digital marketing algorithms, cashier-less checkouts, biometric scanners and much more. Don't miss this opportunity to participate in the future of commerce and shopping.
